

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

January 11, 2000 LB 884

the only reason I'm voting "no" on the rules, we need rules, but I believe in following the rules so I always vote "no" and you-all always vote "yes". So, as we get down in the session and you-all begin to move to suspend the rules, I just want everybody to be reminded of this day and, so that we have a record, I'm asking that we have a record vote on this motion to adopt the permanent rules.

PRESIDENT MAURSTAD: Thank you, Senator Chambers. Further discussion? Senator Hudkins, would you like to close? Senator Hudkins waives closing. The motion before us is the adoption of permanent rules. Those in favor vote aye, those opposed nay. Mr. Clerk, please record.

CLERK: (Record vote read, Legislative Journal pages 231-232.) 33 ayes, 3 nays, Mr. President, on adoption of permanent rules.

PRESIDENT MAURSTAD: Permanent rules are adopted. Mr. Clerk, next item.

CLERK: Mr. President, General File, consideration revisor bills, the first bill, LB 884, bill offered by Senator Coordsen, as Chairperson of the Executive Board. (Read title.) Bill was introduced on January 5 of this year, referred directly to General File, Mr. President.

PRESIDENT MAURSTAD: Thank you, Mr. Clerk. Senator Coordsen, to open on LB 884.

SENATOR COORDSEN: Thank you, Mr. President, members of the body. As the Clerk read the introduction of this bill, this revisor's bill eliminates the phrase "this act" and other references to repealed sections. The Revisor felt that by doing this the entire section would be clearer on taking out the revised section. So I would move the advancement to Select File of LB 884.

PRESIDENT MAURSTAD: Thank you, Senator Coordsen. Seeing no lights, Senator Coordsen waives closing. Question before us is the advancement of LB 884 to E & R Initial. Those in favor vote aye, those opposed nay. Mr. Clerk, please record.
